Re: T. Denny Sanford Educational Grant for Alpha Zeta Delta.

Dear Brother Bessey and Other Brothers:

On behalf of the Corporation of Alpha Zeta Delta of Chi Psi (the "Corporation"), please accept this as our formal proposal for a grant from the T. Denny Sanford fund of the Chi Psi Educational Trust (the "Trust").

We are submitting a grant request this year for the purpose of funding the new roof that we are planning to have installed at the new Lodge this summer. We have already made a withdrawal from the Alpha Building Fund to partially pay for the roof. That withdrawal is in the amount of \$25,000.00. The entire cost of the project is \$89,997.29 (see attached contract with Central Roofing), and we have already made a down payment of \$30,000.00.

The total percentage of educational space in our Lodge is 29.98%. (See attached June 22, 2020, Opinion Letter of Fraternal Law Partners.) Therefore, we are hereby requesting a grant from the T. Denny Sanford Fund in the amount of \$26,981.19.

Please let me know if you have any questions or would like to discuss any of the above. You can contact me anytime at (312) 730-6103, or at mrhess78@gmail.com.

Your consideration of this Grant Proposal is much appreciated. Thank you.

Yours in the Bonds,

Matthew R. Hess, ZA '00
