ALPHA IOTA DELTA *at* GEORGIA TECH

◆ THE 182nd ANNUAL CONVENTION IN ATLANTA ◆
 A MOMENT 100 YEARS IN THE MAKING

“ Brothers...

Coming off of an electrifying Convention, it's hard not to be excited for our Alpha. We celebrated 100 years with Brothers from around the country and hosted the most attended Convention in history, second only to the Chi Psi Centennial in 1941! We also received many accolades for our dedicated pursuit of the finer attributes of what it means to be a fraternity.

AWARDS AND ACCOLADES

A THAYER WIN!!

During the Saturday night banquet, we were awarded the Thayer Trophy which is given to the most successful Alpha in sustaining excellence in all areas! In addition to this year being the AID Centennial, this is the first time Alpha Iota Delta has ever won the Thayer Trophy! Some of the shots taken following the announcement of AID's Thayer Victory that night speak for themselves to the energy in the room. Additionally, we were finalists for the second year in a row for the Goodbody award for academic excellence! Come by the Plunkett Lodge on 4th Street to take a look for yourself at the recognition for all of our efforts!

AWARDS AND ACCOLADES

A BIRGE FOR THE BOOKS

Noah Horton, IA '23 was given the **Stanley J. Birge Award** for his loyalty and leadership in Chi Psi as an undergraduate. Noah served as #2 of Alpha Iota Delta for a year before continuing as #1 during 2021, aiding the Lodge with his leadership throughout the pandemic in recovering recruitment numbers and establishing a new recruitment system.

Noah Horton, IA '23

DISTINGUISHED SERVICE

Dan Berman, IA '57 was posthumously given the **Distinguished Service Award** for his leadership of generations of young men to manhood over the course of his life after college. His wife Barbara and son Greg were there to receive the award on Dan's behalf.

"It was an honor for my family to accept the Distinguished Service Award for Dan. He truly loved Chi Psi and worked very hard for many years to make sure there was [an Alpha] at Georgia Tech."
- Barbara and Greg Berman

A SECOND DSA FOR AIA

Brett Allen, IA '89 was given the **Distinguished Service Award** for his decades of tireless devotion to Chi Psi, both to our own Alpha and the Fraternity as a whole. Brett has been instrumental in Alpha Iota Delta's recruitment efforts every year, managing the Bryan Recruitment Scholarship offered by the Robert B. Plunkett Memorial Trust and providing mentorship for the actives at the Lodge.

Brett Allen, IA '89

NATIONAL SCHOLARSHIPS

Sam Jing, IA '24 received the **Clifford H. Williams Scholarship** which is primarily awarded based on academic performance. In addition to serving as Lodge Manager, Philanthropy Chair, and now #1 of Alpha Iota Delta, Sam has maintained a GPA of 3.98 going into his senior year of studying Mechanical Engineering at Georgia Tech.

Shail Patel, IA '24 also received the **Sargent H. Wellman Scholarship**. While he was unable to make it to Convention, he received this scholarship for academic performance and fraternity involvement, serving as the New Member Educator this past spring.

Sam Jing, IA '24

ALWAYS A CHI PSI

Lastly and certainly not least, **Curtis Wellbrock, IA '76** was given the fifth citation of the **Always a Chi Psi Award** by our very own Alpha during the Friday night celebration at Bobby Dodd Stadium! Curtis's years of leadership on the alumni boards of Iota Delta and within the National Fraternity has brought invaluable continuity and wisdom to Chi Psi.

Curtis Wellbrock, IA '76

A CHI PSI QUARTET

In the spirit of Chi Psi and to show other Alphas we're more than just a tech school, four of our Brothers (From right to left: Daryn Roberts, IA '25; Brantley Deady, IA '25; Joseph Henry "JH" Monti, IA '23; Noah Horton, IA '23) formed a quartet to lead the Convention in Philip Spencer, Banquet Song, and Chi Psis Ever. These Brothers reinvigorated our tradition of singing and received some requests to replace the old recordings on the national Chi Psi website with their renditions of these Chi Psi Classics!

“A THING OF THE SPIRIT

Chi Psi is an ideal, a thing of the spirit. It has no embodiment: it has expression only in the fellowship of its Bonds, begun when life is young and not broken in old age.

— JOHN W. ANDERSON, Ψ 1889, Ε 1890

The success of Alpha Iota Delta and of our local Centennial Convention is so very much due to the support and efforts of our Alumni over the years. You all provide consistency for the Alpha which the undergraduates are inherently not capable of due to the turnover of leadership. Listed here are all of the Brothers of Iota Delta who attended this special Convention in body or in spirit.

THE FUTURE OF LODGE...

HOMECOMING...

Now that Convention is behind us, let's look forward to the next time we can come together as a Brotherhood! Georgia Tech's 2023 Homecoming game vs. the University of North Carolina is on October 28, time TBD. You can find GT's Homecoming website with up to date information [HERE](#). The Actives will host the traditional tailgate before the game at the Lodge, and the annual post-game reception will again be hosted at the Lodge. Keep your eyes peeled on your email inbox and our private Facebook group for more info over the coming months once the game time is determined!

FUNDRAISING

Brothers,

With all of the awards recently won, we're now facing a new unprecedented challenge. The Lodge's current trophy case is *too insecure* and *too small*. By donating to our trophy case fund, you can help us ensure our awards remain ours and that they are given proper dignity within the Lodge. Please aid us in raising \$10,000 for a place of respect for our first 100 years as an Alpha of Chi Psi!

The PayPal links here are non-tax-deductible donations. If you would like to make a tax-deductible gift, please donate [here](#) to Iota Delta's Dedicated Fund held by the national Educational Trust. This donation will be matched by the T Denny Sanford endowment and is limited to educational expenses.
