T.D.S Fund Administrator:

The Chi Psi Association of Alpha Eta Delta requests a grant to purchase 25 study room desk chairs and a matching castor wheel set for each chair.

25 Office Desk Chairs a@ \$250 each: \$6,250

25 Castor Wheel Sets @ ~40 each: \$1,000

Total Grant Request: **\$7,250**

Office chairs range in price. A chair close to a \$250 price point is referenced in the next page and the matching castor wheel set to protect wood floors. The plan is to purchase one chair to confirm it will fit the desk and most active member body sizes. However, we may purchase several chair models before identifying the ideal model. The objective is to find a chair that will last at least seven years with regular use. Professional office chairs that cost closer to \$600 a chair are for people that sit six hours a day. The use case for this chair does not need the same level of quality given the wear and tear of college student use.
