

Things to Do in MPLS

Minneapolis, Minnesota is the biggest city in the Land of 10,000 Lakes. It is home to the Mall of America, Prince, and, of course, our host institution for the 183rd Annual Convention, the University of Minnesota. If you are a Brother attending Convention who also wants to experience our host city, or if you are a family member, partner, or friend of an attendee looking for a few non-Chi Psi activities, we have you covered. Anything **bolded** below is considered walking distance from the Graduate Hotel. Minneapolis has a cheap, effective public transit system that will get you to non-bolded destinations quickly!
