Message from the #1

The Brotherhood is very excited as we prepare for the fall semester. A strong focus is the recruitment of new Brothers. We pride ourselves on forming strong relationships with potential Brothers and really bonding with them. In the past, this has allowed us to recruit well and hand pick New Members that will build our culture. We want to continue to be intentional about fostering strong Brotherhood and leadership. We believe that this focus will allow us to have a successful and memorable semester for all Brothers, while ensuring that we excel as an Alpha from all perspectives. There are many things to look forward to this semester and we believe that we have the leadership and Brotherhood necessary to have an amazing semester. – **Max Gordon '26**

PARENT'S WEEKEND

This year's Parent's Weekend was a giant success for the Lodge! Over 200 Brothers, family, and friends joined in the festivities during the four days. The highlights of the weekend schedule included renting out the Ithaca Brewing Company brewpub in Collegetown and concluded with a semi-formal banquet, catered by The Heights Restaurant, which featured a live band for entertainment! We are so grateful for all our parents and guardians who support all the endeavors of the current Lodgers. We thank Willy Swenson '25 and Reed Shachoy '25 for taking the reins on planning and executing such a fun filled weekend.
